Federal Capability Statement

Founded in 1998, and a proven leader in applying advanced third-party efficiencies, C2 Freight provides you with custom solutions and technology that are scalable to your business needs and budget. With a growing global customer base that includes Fortune 500 companies and some of the world's most recognizable brands, we've proven C2 Freight can provide simple, cost-effective and dependable transportation solutions that provide your business with a competitive advantage.

C2 Freight Resources, INC's Strengths:

With thousands of qualified carriers in our database, we're capable of handling shipping for every type of goods, from perishable foods to office equipment. Whatever you need to ship, we have access to the necessary equipment including flatbeds, double-drops, vans, tankers, refrigerated equipment, multi-axle heavy haulers, dump trucks, auto carriers and more.

Our Capabilities Include, but are not Limited to:

- **Over the Road:** Dry Van, Flatbed and Refrigerated equipment.
- **Heavy Haul:** C2 delivers the most comprehensive specialized and heavy haul solutions available. Most importantly, we deliver attention to detail to your over-length or over-weight shipment.
- **LTL:** If you have multiple shipments per week, we can provide customer specific pricing, based on shipping patterns, freight characteristics and accessorial charges.

How We Stand out from other Logistics Companies:

- **Our people:** You will always have a skilled freight coordinator's keen eye on every move your product makes while in our care.
- **Communication:** We provide in transit updates at your request and you will always speak to a person, never an automated system.
- **Excellent Troubleshooters:** We pride ourselves on quickly resolving all unforeseen shipping issues.

We "C2" Your Freight Needs.
